

Cargo Transfer Services

Efficient, reliable and fully equipped to handle your cargo

As the leader in shipping to The Bahamas and The Caribbean, Tropical Shipping's full-load, cross-dock operation can transfer your cargo off any truck, trailer or railroad car to one of our ocean going ISO containers or flatracks.

SMALL TO MULTI-TON CARGO

Tropical Shipping's cargo handling equipment accommodates everything from a single container to multi-ton project cargo. To assist in these port operations, Tropical Shipping operates cranes, straddle carriers, jockey trucks and reach stackers.

LOADING TO YOUR SPECIFICATIONS

Out-of-gauge cargo, such as large construction equipment and machinery can be loaded from flatbed trucks to our flatracks or containers – all to your specifications. Whatever your cargo transfer needs, Tropical Shipping has a solution.

COMPLETE SERVICE

Cargo arriving at our facility with complete documentation can be cleared and loaded immediately. We inspect and count all shipments which allows for more accurate cargo tracking and more efficient cargo loading.

From a single container to large construction equipment – Tropical Shipping's cross-dock operation has a solution for all your cargo transfer needs.

YOU SHOULD KNOW

Cargo Transfer

- All cargo should be booked prior to delivery by using www.tropical.com or by calling a customer service representative
- All cargo is weighed, measured, counted and inspected for condition during loading
- Non-palletized cargo is moved by electronic, telescopic conveyor belt

Cargo Delivery

- Full Container Load (FCL) cargo transfer delivery address is 821 Avenue E, Riviera Beach, FL 33404
- Cargo must be visibly labeled to show consignee and destination port
- Booking numbers must be clearly indicated on the inland waybill
- Hazardous cargo must be marked and labeled properly
- Cargo must be properly packaged to withstand export by ocean

CARGO HANDLING AND TRANSFER CAPABILITIES

As part of our cargo transfer capabilities, Tropical Shipping handles: bags, drums, sheet rolls, cases, slip sheets, pallets, yard freight, bundles and oversized cargo. We are able to block, brace and cover your cargo. And we can meet your needs for both floor-loaded and on-pallet shipments. We also offer banding services and plastic-wrapping for a nominal charge.

TRACKING

You can track the status of your shipment, create a booking, print your Bill of Lading and see the availability of your cargo in one of our warehouses by using the On-Line Tools section of www.tropical.com. Checking the details of your shipment is simple, convenient and available 24/7/365.

To use our On-Line Tools, click on the New User Registration link at www.tropical.com to set up your web user account.
